

WINDRUSH FARM CAMP

A FARM EXPERIENCE FOR KIDS

This fall give your children four days on Windrush Farm. It is an outdoor experience your child will carry with them for the rest of their lives. Children will learn about ranch animals and how to take care of them. They will meet chickens, goats, sheep, cows, llamas, and our favorite dogs. They collect eggs from the chickens and work in the vegetable gardens, learning where their food comes from besides the grocery store. Exploring in the pond, creating farm crafts, working with wool, and making barn shaking music are a few of the activities your children take part in. On Thursday we will celebrate the work we have done with a pizza party in the wood-burning outdoor oven.
