

# ARTISTS & FARMERS

**PITCHFORKS, TRACTORS AND HAY BALES. PAINTBRUSHES, VIDEO CAM'S AND LAPTOPS. FROM DIRT TO DIGITAL ART, PETALUMA LIES PRECISELY AT THE INTERSECTION OF AGRICULTURE AND CREATIVITY.**

ProjectHERE wishes to celebrate Petaluma's Artists & Farmers recognizing them as cornerstones to what it means to live HERE.

#### **The Event**

Banked along the Petaluma River and set in the backyard of Petaluma pioneers to the slow-food movement, Central Market, we will hunker down and live it up. Join us as we tap into all things earth and art, Petaluma-style. Introduce yourself to the roots of what makes Petaluma a town like no other.

Eat a little. Drink a little. Dance a little. Play a little. But most importantly, learn a little about what makes Petaluma a distinct place all its own. Experience the food, the music, and the art that sets us apart. And shake hands with the kind, passionate folks behind the magic.
